

Chicago Fire Juniors Florida – Soccer Foundation Sponsorship Information

The Chicago Fire Juniors Florida Soccer Foundation is a non-profit organization seeking to ensure that all children have the opportunity to achieve success on and off the soccer field. The Foundation is set in place by the Chicago Fire Juniors Florida for the benefit and support of soccer programs for elite players. More than just a soccer club, Chicago Fire Juniors Florida strives to create positive opportunities and benefit all through their efforts with the Chicago Fire Juniors Florida Soccer Foundation.

Chicago Fire Juniors of Florida located right here in Southwest Florida, an entity of the Chicago Fire Major League Soccer (MLS) Club, we have set out to create an atmosphere for our local athletes to develop in a structured/professional setting. With our anticipated growth over the coming months and years we are looking to identify local sponsors who would like the opportunity to invest an interest in the development of soccer in Southwest Florida.

Working also with local youth clubs, public and private schools, universities and other organizations we hope to combine our overall efforts to provide a well balanced approach to player development, coaching and individual training in a highly competitive atmosphere. Chicago Fire Juniors Florida student-athletes will strive for excellence in sports, with the greater context of striving for excellence as individuals, by practicing honesty, integrity, teamwork and commitment to education, family and community.

With your contribution we hope to have the support from community involved sponsors to promote our organization through local leagues as well as when our teams travel the state and nation. By asking local businesses in the area to help sponsor our student athletes & program we will be able to raise necessary funds to avoid depriving a child that wishes to participate a place to develop and grow in the sport that they love.

The different levels of sponsorship are outlined on the attached page for your reference and we welcome any and all ideas to structure a special sponsorship packages to best fit your company.
